

Late Season Delivery Declaration

1. Grower Information

NGR Number:		Trading Name:	
Grower's Agent (if applicable)			

2. Commodity

Commodity:		Variety:	
Season Grown:			

3. Treatment Details

List below all agricultural chemicals (excluding fertilisers) and grain protection chemicals/fumigants applied to the commodity (including during storage), or crops within 100 metres of the crop from which this commodity was derived, while it was under your ownership, care or control (attach list or write overleaf if necessary) (**Chemicals**).

Chemicals applied from commencement of flowering to windrow/harvest for grains and all post-harvest treatments:

Chemical Applied	Rate/ha or tonne	Application Date:	Withholding Period / Export Intervals:	Date of Harvest:

Having kept appropriate records and after making the necessary inquiries, by signing this form, the Grower declares that:

- All Chemicals applied to the crops or commodity specified in this declaration by the Grower (or by other persons on its behalf) during the growing of the crops and/or during the storage of the commodity are disclosed where required in this declaration;
- All Chemicals were applied in accordance with their registered labels and at rates not exceeding the maximum rates set out on those labels;
- Any withholding periods and/or export intervals set out on the labels of the Chemicals applied to the crop or commodity while under the Grower's ownership, care or control (including during storage) have been observed and are disclosed where required in this declaration;
- The commodity supplied does not contain any materials that are prohibited for use as feeds for ruminant livestock (cattle, sheep, goats, etc) under state/territory legislation, specifically in regard to animal by-products;
- All the information contained in this declaration is true and correct in all respects and acknowledges that the Grower liable for any false or misleading statements; and
- Any of the load presented is not genetically modified.

The Grower acknowledges that this declaration is in addition to and does not limit any of the warranties, representations and declarations the Grower makes or is deemed to have made under Viterra 's Receival Service & Warehousing Terms & Conditions found at www.viterra.com.au.

Despite the above declaration, as a part of the quality testing program, Viterra will undertake canola GM and chemical residue testing of the samples to ensure that the grain quality meets expectation of customers and the market. Refer to www.ezigrain.com.au for Late Season Delivery Procedure.
