

Lentil Varieties 2024/2025

There is a requirement for varietal segregation based on size.

Some varieties look very similar in characteristics so may be hard to distinguish between them visually so they have been grouped together based on a common variety type.

Only these listed varieties can be commingled with others within a common variety type.

Variety	Code	Grade
Herald XT PBA	L019	NIPT1
Hurricane XT PBA	L023	NIPT1
Nipper	L015	NIPT1
