

# 2023/24 season

## Storage and handling service fees

### Receival fee

This receival fee is payable in relation to all grains received directly from growers into Viterra sites.

Major and minor grades of wheat and differences in commodities reflect the higher costs associated with receiving, segregating, storing and handling minor grades and various commodities.

	Major wheat \$/mt	Minor wheat \$/mt	Other barley \$/mt	Malting barley \$/mt	Minor cereals & canola \$/mt	GM canola \$/mt	Pulses \$/mt
Upcountry receival facility	\$16.05	\$17.85	\$16.30	\$17.85	\$23.00	\$23.75	\$17.85
Port terminal	\$21.20	\$23.10	\$21.50	\$23.10	\$27.80	\$28.55	\$17.90

Note – Ardrossan and Port Pirie are deemed upcountry receival sites for the purposes of this fee

### Monthly storage fee

Storage fees are waived for the month of delivery. For growers' warehoused grain, storage fees are also waived for the month following the month of delivery. Monthly storage will apply for every subsequent calendar month (or part month) that the grain remains in storage.

	2023/24 season		
	Wheat, barley & minor cereals \$/mt	Canola \$/mt	Pulses \$/mt
Monthly charge October 2023 – August 2024	\$2.05	\$2.10	\$2.20
Monthly charge September 2024	\$4.50	\$4.70	\$5.30

Note – monthly storage fees accrue on a cumulative basis (after period when storage fee is waived), and are levied per tonne of grain in storage (as at the 1st of each month). The buyer will be charged warehouse's accumulated storage fees for all transfers in store.

	Previous season		
	Wheat, barley & minor cereals \$/mt	Canola \$/mt	Pulses \$/mt
