

Lentil varieties receival standards

2022/2023

There is a requirement for varietal segregation based on size.

Some varieties look very similar in characteristics so may be hard to distinguish between them visually so they have been grouped together based on a common variety type.

Only these listed varieties can be commingled with others within a common variety type.

Variety	Code		Grade
	New	Legacy	
Herald XT PBA	L019	HLE	NIPT1
Hurricane XT PBA	L023	HURR	NIPT1
