

Viterra's 2020/21 storage and handling service fees

Receival fee

This receival fee is payable in relation to all grains received directly from growers into Viterra sites.

Differences in receival fees across sites are as follows:

- Wallaroo and other port terminals reflect differences in operating structures.
- Major and minor grades of wheat and differences in commodities reflect the higher costs associated with receiving, segregating, storing and handling minor grades and various commodities.

	Major wheat \$/mt	Minor wheat \$/mt	Other barley \$/mt	Malting barley \$/mt	Minor cereals & canola \$/mt	Pulses \$/mt
Upcountry receival sites	\$13.17	\$14.68	\$13.42	\$14.68	\$18.46	\$14.68
Port terminal (excluding Wallaroo)	\$17.41	\$18.95	\$17.66	\$18.95	\$22.39	\$14.68
Wallaroo port terminal	\$17.92	\$19.46	\$18.18	\$19.46	\$22.91	\$15.54

Note: Ardrossan and Port Pirie are deemed upcountry receivals sites for the purposes of this fee.

Monthly storage fees

Storage fees are waived for the month of delivery. For grower's warehoused grain, storage fees are also waived for the month following the month of delivery. Monthly storage will apply for every subsequent calendar month (or part month) that the grain remains in storage.

	2020/21 season		
	Wheat, barley & minor cereals \$/mt	Canola \$/mt	Pulses \$/mt
Monthly fee October 2020 – August 2021	\$1.65	\$1.70	\$1.75
Monthly fee September 2021	\$3.80	\$4.00	\$4.05

Note: monthly storage fees accrue on a cumulative basis (after period when storage fee is waived), and are levied per tonne of grain in storage (as at the 1st of each month). The buyer will be charged warehouse's accumulated storage fees for all transfers in store.

	Previous season		
	Wheat, barley & minor cereals \$/mt	Canola \$/mt	Pulses \$/mt
Monthly fee October 2020 – November 2020	\$3.80	\$4.00	\$4.05
Monthly fee December 2020 – August 2021	\$2.75	\$2.80	\$2.90
Monthly fee September 2021	\$3.80	\$4.00	\$4.05

Note: These previous season fees replace any older previous season fees published.

Monthly storage fees accrue on a cumulative basis (after period when storage fee is waived), and are levied per tonne of grain in storage (as at the 1st of each month). The buyer will be charged warehouse's accumulated storage fees for all transfers in store.

Additional monthly port storage fee

This fee is applicable to all grower deliveries direct to Viterra port terminals. The monthly port storage fee is payable in addition to monthly storage fees.

	Port Adelaide, Inner Harbour \$/mt	Port Giles \$/mt	Port Lincoln \$/mt	Thevenard \$/mt	Walleroo \$/mt
